

Arabian Nights, Unforgettable Days.

In the United Arab Emirates, ultramodernity and ancient traditions coexist in a breathtaking way. Only a Costa cruise can immerse the traveller in this world of a Thousand and One Nights in 8 days.

An amazing way to **explore** the Emirates, Oman, and Qatar, with landscapes constantly changing, and days filled with the **experience of Sea Destinations**, a new way to discover the world from the **unique perspective** of the sea,

such as enjoying the **stars in the darkness** of the Gulf of Oman and the **Dubai desert**, or participating in the most **glamorous parties** in **Abu Dhabi**.

A memorable and exciting holiday, for friends, couples and family travellers, on board of Costa Smeralda, ambassador on the sea of Italy's finest and the first ship ever to be powered by LNG (liquefied natural gas), the world's cleanest fossil fuel.

Dubai and the Emirates.

THE WONDER OF A DIFFERENT WORLD

Costa Smeralda, Everything and **Much More.**

Costa Smeralda is an extraordinary floating **smart city** that combines **technology, comfort, spectacular features and environmental awareness**. With its interiors inspired by Italian most beautiful piazzas and cities, Costa Smeralda gives guests a **sensory experience** in the name of **beauty, style, and Italian good taste**. The ship is full of attractions and stimulating experiences to enjoy, including a visit to the Co.de Museum, dedicated to the Italian design, from transport to cinema, furniture and fashion.

A JOURNEY FULL OF TASTE

Eight paid themed restaurants, seven included in the rate and 17 bars: no ship can offer such a variety of flavours as Costa Smeralda. **Traditional destination dishes and gourmet menus** by international award-winning chefs Bruno Barbieri, Hélène Darroze and Ángel León at the **Archipelago Restaurant**. **Artisanal Italian production** of ice cream, pizza and mozzarella. **Themed restaurants** such as the Japanese **Teppanyaki** and Sushino at Costa, Kiki Poke, Green Healthy Food at Costa. The Nutella at Costa. And for a special aperitif, Aperol Spritz Bar, Campari Bar, Ferrari Spazio Bollicine, Osteria Frescobaldi Wine Bar.

RELAXING AND HAVING FUN

There is a world of possibilities to **have fun and relax**. At the theatre, big productions, acrobatic flying performances, dance and talent shows inspired by famous TV formats. **The night** is for music, parties, the casino and shopping. **The day** is also for moving around in the gym, on the open-air jogging track or playing football, basketball, volleyball, and experiencing the Solemio Spa.

MORE THAN JUST A PLACE TO SLEEP

With more than 1,500 cabins with sea balconies – and the exclusive cabins with **sea terrace**, a beautiful veranda located between the traditional cabin area and the balcony – each accommodation on board guarantees comfort, elegance, and tranquility. Each cabin is **comfortable and cozy, perfect for resting after a day of life on board and discoveries** ashore.

Sea Destinations.

Three exciting experiences, a new way to discover the world from the perspective of the sea.

Desert on the Sea – In the heart of the **Gulf of Oman**, the ship turns into a sea oasis for a **“Thousand and One Nights”** experience. Among **luxurious tents, belly dancers, and enchanting music**, guests are involved into a unique, immersive and engaging experience.

Sea of Stars – With the help of an expert guide, guests explore the captivating **night skies of the Oman Gulf** and **venture into the stories and legends** hidden behind the constellations of the Emirates, living breathtaking moments under the stars.

Skyline Party – The stunning skyline of **Abu Dhabi** sets the backdrop for this **extraordinary night**. Music, private areas, and dancers in traditional attire add a touch of exoticism to the party, engaging guests in an unforgettable experience.

Sea Destinations for the “The Magic of the Desert” itinerary will be active from 21/12/24 to 15/03/25. There may be changes to the Sea Destinations or, in some cases, they may be cancelled due to unfavourable sea conditions and/or exceptional circumstances. To be kept informed of any changes, we recommend to consult the daily program Oggi a bordo on board.

Land Destinations.

A wide choice of different tours ashore.

Only with Costa guests can explore and **experience** destinations **outside the classic** tourist **routes**, with a wide choice of different tours. Some examples?

In Dubai, a breathtaking experience is to climb to the top of the Burj Khalifa, the world’s tallest skyscraper (828m) to admire the emirate at 360°, from the desert to the sea, and the other skyscrapers, such as the unmistakable Burj Al Arab, with its unfurled sail shape.

In Abu Dhabi, on Yas Island, Ferrari World, the first and largest park dedicated to the prancing horse brand, reserves unforgettable thrills for those who love the world of speed and Italian design.

The Art of Skyscraping in the Desert.

From the tallest skyscrapers in the world to the quiet spaces of the desert, from **Dubai to Abu Dhabi**, from **Muscat to Doha**, a 7-day, 5-day or 2-day cruise is the ideal way to enjoy a

concentrated dose of the wonders that these lands, in perpetual balance between past and future, can give the visitor.
